ext. 76706

**TOPIC:**

# Asthma

**From bedside to bench: a translational  
view of asthma in 2012**

**SPEAKERS:**

**Dr. Paul O'Byrne**

*Professor and Chair,  
Department of Medicine*

**Dr. Mark Inman**

*Professor,  
Department of Medicine*

**LEARNING OBJECTIVES:**

- What is asthma and how is it diagnosed?
- What are the reasons that patients develop asthma?
- What are the best ways to treat asthma and how effective is treatment. Also, what are the possible side-effects from the treatments used?
- What are we learning about the mechanisms behind asthma, and is this knowledge bringing us closer to a cure or better management?

Department of Medicine
