Department of Medicine

Continuing Health  
Sciences Education

A TRANSLATIONAL VIEW OF:

# Cardio-renal syndrome

This seminar includes a clinical presentation with patient interview followed by a research presentation

**SPEAKERS:**

**Dr. Peter Margetts**

*Professor, Department of Medicine  
Director, MD/PhD Program*

**Dr. Jeffrey Dickhout**

*Assistant Professor, Department of Medicine*

**LEARNING OBJECTIVES:**

- Understand how patients with heart disease may develop kidney dysfunction
- Review the association between heart disease in patients with chronic kidney disease
- Learn the physiological processes in chronic renal disease that may lead to chronic heart disease
- Understand how research in biomedical science is developing new targets to interfere with these processes
