Bluefish and Hasenpfeffer Insights into Career Development

SPEAKERS:

Dr. Steve Gyorffy

*Director of Oncology,
Boehringer Ingelheim Canada Ltd.*

Dr. Ted Witek

*Senior Vice President, Corporate Partnerships,
Clinical and Medical Affairs, Theravance, Inc.
Senior Fellow, Institute of Health Policy, Management,
and Evaluation of The University of Toronto
Adjunct Professor, Dalla Lana School of Public Health
and Faculty of Pharmacy
Past President and Chief Executive Officer,
Boehringer Ingelheim in Canada Ltd.*

LEARNING OBJECTIVES:

- To gain understanding of career development in science and the pharmaceutical industry
- How your scientific knowledge and skills may prepare you for a future outside of academia
- How new agents are funded and made accessible to patients?
- Become familiar with challenges beyond drug registration and bridging the "second valley of death" for the pharmaceutical industry
