## OPEN HOUSE

A Demystifying Medicine Seminar made by  
Health Sciences 4DM3 students - Fall Semester 2016

**DATE: MON., NOVEMBER 28, 2016**

**In this Demystifying Medicine and Knowledge Translation event** 4DM3 students will present examples of their work during the fall semester 2016. Each group will showcase and discuss how they created short videos aimed to enhance the understanding of various complex medical and scientific topics. This event is open to all and refreshments will be served.
