# Scleroderma

– it's not just cold feet

## SPEAKERS:

**Dr. Maggie Larché**

*Associate Professor, Department of Medicine  
Chair, Hamilton Scleroderma Group*

**Dr. Kjetil Ask**

*Assistant Professor of Medicine*

## LEARNING OBJECTIVES:

- Describe the current clinical approach to Reynaud's and digital ulceration in systemic sclerosis
- Examine the pathophysiology of fibrosis in Reynaud's and finger ulcers
- Understand a patient's perspective on this disease
- Discuss new research aimed to limit the progression of fibrosis in this multi-system disease
